Bug Report #3

Title: Skyfall website bugs - dead links from 'HALF A CENTURY OF BOND' and 'Visit 007.com' links

Bug Type: Functional

Frequency: Every time

Severity: Medium

Environment: Mac OSX 10.8.1 Safari browser v6.0

Actions Performed:
1. Go to Google
2. Enter Skyfall in the Google search box
3. Go to the Skyfall movie website at http://www.skyfall-movie.com/site/
4. Click on the text 'HALF A CENTURY OF BOND' or the text 'Visit 007.com'

Expected Results: Expect to see the relevant content displayed.

Actual Result: Both of these result in a 'Page Not Found' error at URL http://www.sonypictures.com/corp/error.html

Screenshots: Screenshot below shows the 'Page not Found' error

Video: http://youtu.be/zz9G18QoQds (Currently not available, YouTube probably think it's a pirate video of Skyfall)
